Launching Your Blastoff Network

Welcome to the Blastoff Network! We are excited to have you on the team and look forward to helping you launch your new business.

With Blastoff you can not only have fun and save money but you can also make money! You earn a commission anytime someone in your network spends money in the blastoff mall, home services, travel or wireless areas! You are paid on the first ten levels of blastoff network which means you make money from the purchases of people you don't even know.

The first step in launching your business is to set up your blastoff website. You can upload your picture, add blastoff as your home page, and make a mall purchase. You can edit your site name under "Edit My Account" There are some great tutorials right on your blastoff site that will help you become more familiar with how the site works.

The second step is to invite your friends and contacts to join blastoff. You can upload all of your contacts under the "Email Invites" section and it will automatically send invites to your contacts up to 250 at a time. You can also just email your contacts a link to your site using the sample email on the following page. You can also post your site on Facebook, Twitter, MySpace or any other social network or blog. Be sure and tell everyone you know about blastoff! We have found that when you call and talk to people about blastoff, the chance of them joining is much greater than just sending them an invitation.

It is very exciting to watch you network grow! Especially when people you don't even know begin to join.

Get ready to have a blast!

Growing Your Blastoff Network

There are many ways to grow your blastoff network outside of the people that you know. Be sure and plug into the Blastoff Team training calls to learn about more ways to build your virtual Blastoff network! These are great places to handout blastoff cards:

- Internet Cafes, Coffee Shops, Donut Shops
- College Book Stores, College Campuses
- Convenient Stores, Truck Stops, Book Stores
- Internet and Computer Stores, Game Stores,
- Dry Cleaners, Music Stores, Video Stores
- Fitness Centers

You can also get companies to promote blastoff to their members and customers. This is a great way to build a very large blastoff network. These are great groups and organizations to contact:

- Sport Teams, College, High School Booster Clubs
- Association Groups, Non- Profit Organizations, Zoo's
- Publishing Companies, Magazines, Newspaper, Books
- Hotels (card in the room by the computer access)
- School Fundraisers, High Schools and Colleges

You can also have website owners put banner ads on their sites. The blastoff team will assist you in working with these large groups. Just contact support@blastoffteam.com

Handing Out Cards

Handing Out Blastoff Cards Script

Excuse me, are you getting Blastoff Checks? Blastoff is a new internet launch pad. It's like Facebook except you get paid! It's free to join - just go to this website and signup. Let me get your name so I can follow-up with you and make sure you are receiving your checks.

Get their name, email and phone number.

When you get home enter their name and email in your join area and it will send them an invitation link.

Follow-up with everyone to make sure they get enrolled and download their contacts on their site.

Welcome to the Team Email

Send this email to anyone that joins your blastoff network. Their email address is listed in the "My Network" section at the top of your site. You will have to copy and paste their email address and send it individually to your front line contacts.

Dear Members Name,

Welcome to blastoff! I am excited that you have decided to join blastoff and I look forward to helping you get started. Here are a few things that will help you launch your network and get the most out of your blastoff membership.

1. You can upload all of your contacts from your email account. Just use the "Email Invites" tab at the top of your site. You can also send an email to everyone that you know. I found that calling my contacts, after sending them the link, worked even better.
2. You can visit the team support website at www.blastoffteam.com This site is packed full of information on how to build a large blastoff network. The blog is updated several times a day and has some great tips. There is also a document that you can download called Getting Started Docs. I found this document to be very helpful.
3. You can also listen to the Getting Started Call online at the team site.

If I can assist you in anyway, please just give me a call at (222)555-1212
